If, however, the indemnity for residual disability has already been paid to the said traveler, we will pay the balance remaining after deducting such indemnity paid from the Indemnity Amount due.

(Payment of Indemnity for Residual Disability)

Article 7 If the traveler has suffered an injury as described in Article 1 and developed a residual disability as a direct result of that injury within 180 days from the day of the accident (which means serious functional disability or the loss of part of the body which remains in the body and is not recoverable in the future, and where the injury that caused this

disability or loss has been healed; hereinafter to be interpreted likewise), for each traveler, we will pay indemnity for residual disability in the amount reached by multiplying the Indemnity Amount by the percentage listed in each item in Schedule II .

2 Notwithstanding the provision of the preceding paragraph, if the traveler is in a condition still requiring treatment even after a lapse of 180 days from the day of the accident, we will pay indemnity for residual disability after identifying the extent of the residual disability based on the diagnosis of a physician as of the 181st day from the day of the accident.

However, if the functional disability of the disability is not as serious as those listed in 1 (3), 1 (4), 2 (3), 4 (4), and 5 (2) of Schedule II, we will not pay indemnity for residual disability.

4 If two or more types of residual disability are caused by the same accident, we will pay the total amount of indemnity by applying the preceding three paragraphs to each of those. However, for the residual disability of upper limbs (arms and hands) or lower limbs (legs and feet) as described in 7, 8, and 9 of Schedule II, the maximum amount payable by us for indemnity for residual disability will be limited to 60% of the Indemnity Amount for each limb.

5 To one traveler for each Organized Tour, the maximum amount payable by us for residual disability under each of the preceding paragraphs shall be the amount of the Indemnity Amount.

(Payment of Solatium for Hospitalization)

Article 8 If the traveler has suffered an injury as described in Article 1, and, as a direct result, has become unable to engage in normal work or to lead a normal life, and has been hospitalized (meaning that, treatment by a physician is required, and the patient is hospitalized at a hospital or clinic, because treatment at home, etc. is difficult, to concentrate on treatment under the physician's constant care. Hereinafter to be interpreted likewise in this Article), we will pay a solatium for hospitalization according to the number of days (hereinafter referred to as "Hospitalization Days") hospitalized under the following classification:

a. In the case of an Organized Tour for the purpose of an Overseas Trip:

(1) Where the traveler has suffered injury requiring 180 or more Hospitalization Days: ¥400,000;

(2) Where the traveler has suffered injury requiring 90 or more but less than 180 Hospitalization Days: ¥200,000;

(2) Where the traveler has suffered injury requiring 90 or more but less than 180 Hospitalization Days: ¥100,000;

(3) Where the traveler has suffered injury requiring 7 or more but less than 90 Hospitalization Days: ¥50,000; or

(4) Where the traveler has suffered injury requiring less than 7 Hospitalization Days: ¥20,000

2 Even when the traveler is not hospitalized, if any one of the items listed in Schedule III applies to the traveler, and

the traveler has received treatment by a physician, the period during which the traveler is under such conditions shall be considered Hospitalization Days when applying the provisions of the preceding paragraph.

- 3 If we are to pay either a combination of a solatium for hospitalization and indemnity for death or a solatium for hospitalization and indemnity of residual disability for one traveler, we will pay the total amount of either combination.

(Payment of a Solatium for Hospital Visits)

Article 9 If the traveler has suffered an injury as described in Article 1, and, as a direct result, has experienced difficulty in engaging in normal work or leading a normal life, and has needed to visit a hospital (which means that because treatment by a physician is necessary, the patient visits a hospital or clinic to receive treatment by a physician (including house visits by a physician). Hereinafter to be interpreted likewise in this Article), and the number of days spent for such hospital visits (hereinafter referred to as "Visit Days") is equal to or greater than 3 days, we will pay to the traveler a solatium for hospital visits for the said number of days in accordance with the following classification:

 - (3) Where the traveler has suffered injury requiring 3 or more but less than 7 Visit Days: ¥20,000.
- b. In the case of an Organized Tour for the purpose of a Domestic Trip:
- (1) Where the traveler has suffered injury requiring 90 or more Visit Days: ¥50,000;
 - (2) Where the traveler has suffered injury requiring 7 or more but less than 90 Visit Days: ¥25,000; or
 - (3) Where the traveler has suffered injury requiring 3 or more but less than 7 Visit Days: ¥10,000.

- 2 Even if the traveler does not visit a hospital, when we recognize that the traveler has experienced considerable difficulty in engaging in normal work or leading a normal life because of a plaster cast, etc. being attached continuously to the part of his/her body suffering from an injury, such as a bone fracture, under the instruction of a physician, the period under such conditions shall be considered Visit Days when applying the provisions of the preceding paragraph.
- 3 We will not pay for a solatium for hospital visits for the traveler to visit a hospital after the injury of the traveler has healed to such an extent to not prevent the traveler from engaging in normal work or leading a normal life.
- 4 Under no circumstances will we pay a solatium for hospital visits for the traveler to visit a hospital after the lapse of 180 days from the day of the accident.
- 5 If we are to pay either a combination of a solatium for hospital visits and indemnity for death or a solatium for hospital visits and indemnity for residual disability for one traveler, we will pay the total amount of either combination.

(Special Rules Concerning Payment of a Solatium for Hospitalization and a Solatium for Hospital Visits) Article

10 Notwithstanding the provisions of the preceding two Articles, if Hospitalization Days and Visit Days are each equal to or greater than one day for a traveler, among the solatium described in each of the following items, we will only pay that with a larger amount (if both amounts are the same, the solatium described in (1)):

- (1) A solatium for hospitalization that we should pay for the number of such Hospitalization Days.
- (2) A solatium for hospital visits that we should pay for the number of days deemed Visit Days calculated by adding the number of such Hospitalization Days to the number of such Visit Days (excluding the days for which we should pay a solatium for hospitalization).

(Presumption of Death)

Article 11 If the traveler is not found even after the lapse of 30 days after the aircraft or vessel which the traveler had boarded has been missing or was subject to a disaster, the traveler will be presumed dead due to the injury as described in Article 1 on the day when the aircraft or vessel was found missing or subject to a disaster.

(Influence of Other Physical Disabilities or Illnesses)

Article 12 If the injury described in Article 1 has become more serious due to the influence of a physical disability or illness which had already existed when the traveler suffered the injury described in Article 1 or due to the influence of an injury or illness which has occurred independent of the accident causing the said injury after the said traveler has suffered the injury described in Article 1, we will determine and pay the amount to be paid without such influences.

Chapter 4 - Occurrence of Accident and Procedures to Request Payment of Indemnity, etc.

(Request for Explanation, etc. Concerning Extent of Injuries, etc.)

Article 13 If the traveler has suffered an injury described in Article 1, we may request that the traveler or the person to receive the Indemnity for death explain the extent of the injury, provide an overview of the accident leading to the said injury, or request a medical examination of his/her body or a postmortem examination of his/her dead body. In this case, the traveler or the person to receive the Indemnity for death will be required to cooperate with these requests.

Any matter not stipulated in the General Conditions shall be governed by ordinance or generally established practice.

2 Notwithstanding the provisions of the preceding paragraph, where we execute a special contract (hereinafter referred to as the “Special Contract”) with the traveler in writing without violating the relevant laws and harming the interests of the traveler, such a Special Contract shall be given priority.

(Definition of Terminology)

Article 2 In the General Conditions, “Arranged Tour Contract” or, within this Part, “Contract” shall mean the contract under which we undertake to make arrangements at the request of the traveler by representing him/her, or acting as his/her intermediary, or playing an introductory role for him/her, so that he/she may be provided with services, such as transportation and accommodation offered by transportation and accommodation facilities, etc., and other services related to the travel (hereinafter referred to altogether as the “Tour Service”).

2 In the General Conditions, “Domestic Trip” shall mean trips planned for only inside Japan, and “Overseas Trip” shall mean trips other than Domestic trips.

2 Where the content of the Arranged Tour Contract is changed at the request of the traveler pursuant to the preceding paragraph, the traveler will be required to bear the cancellation fees and penalty charges payable to the transportation and accommodation facilities, etc. and other expenses required to change arrangements, where arrangements already made are being cancelled, and in addition, the traveler will be required to pay to us our prescribed handling charge for the changes. Furthermore, the increase or decrease of the Tour Price arising from such changes of the content of the Arranged Tour Contract shall be borne by the traveler.

(Discretionary Cancellation by the Traveler)

Article 13 The traveler may cancel the Arranged Tour Contract in whole or in part at any time.

3 The provision of the preceding paragraph will not prevent the traveler from claiming compensatory damages against us.

Chapter 4 - Tour Price

(Tour Price)

Article 16 The traveler will be required to pay the Tour Price no later than the period prescribed by our Company which is prior to the start of the Tour.

2 When the Communication Contract has been executed, we will receive payment of the Tour Price by using the card of the Affiliate Company without obtaining the traveler's signature on the voucher prescribed by us, in which case the Date Card Used shall be considered the date when we have informed the traveler of the content of the Tour Service determined by us.

However, where we have cancelled the Arranged Tour Contract pursuant to the provision of Article 14, paragraph 1, item b, the traveler will be required to pay to us the expenses, etc. payable to us by the traveler by no later than the date set by us using the method prescribed by us.

(Settlement of the Tour Price)
